COLOGNE, GERMANY / +49 173 8888 987 / [ANDY@IXIS.IO](mailto:ANDY@IXIS.IO) / [WWW.IXIS.IO](http://WWW.IXIS.IO)

Figuring out how to get Things done in larger Teams as a certified Scrum Master, not just in the software Industry. I help Agencies and Companies to realize Products with Value and with a Focus on happy People. I also enable Conferences to share Experiences.

Outside of the web, I'm a proud father of two beautiful children, a passionate freestyle skateboarder/snowboarder and I like the taste of good espresso.

If there is still time, I write on my personal blog <http://ixis.io> about things of the Internet.
