Andreas Klein

Agile Coach & Scrum Master

COLOGNE AREA, GERMANY / +49 173 8888 987 / ANDY@IXIS.IO / WWW.IXIS.IO

Figuring out how to get things done in larger Software Teams as a certified Scrum Master. I help Agencies and Companies to realize large scale projects with a focus on happy teams and effective processes. I also enable Conferences to share experiences.

Outside of the web, I'm a proud father of two beautiful children, a passionate freestyle skateboarder/snowboarder and I like the taste of good espresso.

If there is still time, I write on my personal blog http://ixis.io about things of the Internet.
